

ANGRY BALLS

MATERIAL

You need:

- Balloons
- Sand
- Flour
- Rice
- Spoon
- Fullon
- Sticks
- Scissors
- Tape
- Pen

Preparation:

Inflate the balloon and let the air leave again

FIRST STEPS

- Use the funnel to fill the balloon with the sand or rice & flour
- The sticks help you fill the balloon up
- Cut off the end of the balloon but leave circa 1cm

NEXT STEPS

Close the opening
with tape

Grab another balloon, cut
the end off completely

Put the second balloon over
the first balloon

RESULTS

You can paint your angry ball however you like it now
Or
You can add a third balloon to add more colour and stability
